RWA is always in the forefront in this most favoured activity specially programmed for the senior citizen groups.

On this historic day the RWA has planned to give special honour to our Senior Citizens who have reached GOLDEN AGE – i.e. those who have crossed 80 years.

We would therefore request such persons with golden age to kindly furnish their particulars to Mr. S.K. Sudan, General Secretary so that necessary arrangements can be made to felicitate them.

Dear friends, various activities for the welfare of our residents are being arranged by RWA Team of exceptionally dedicated and selfless persons who are putting so much of their efforts to run the activities of this Association. Our sincere appreciation and thanks to the members for their cooperation and guidance in running the affairs of this Association which gives us encouragement to perform still better.
