COVERAGE OF OPEN DRAIN (GANDHA NALLA)

RWA has been following up with Noida Authority the long pending demand of Nalla Coverage. We are happy to inform that our efforts have ultimately borne fruits and the process of coverage of Nallahs already started.

FREE YOGA CLASSES

This is for information of our residents that Free Yoga Classes are being conducted by Bhartiya Yog Sansthan under supervision of its trained Instructor Mr. Bir Sen (J-71). The Timings are: 5.45AM to 7.00AM except Sunday. Those who wish to join may please contact.

NOW A WORD TO NON PAYERS

This is for the attention of the residents who are not paying their dues to the Society. It is very sad and unfortunate that some people want to enjoy the facilities at the cost of others. Today our sector has a recognition in whole of Noida and NCR as one of the best sectors. There are many more projects in the pipeline for welfare of our residents but due to inadequate funds we are unable to give our best. We shall therefore make an earnest appeal to such non-paying members to co-operate so that we could collectively fulfill the dream of excellence which is our ultimate goal.

PET DOGS

Complaints are being received regarding pet dogs. We shall request all those who are keeping pet dogs to kindly see that it may not create any inconvenience to your neighbours. Kindly keep your pets properly chained and vaccinated. Take them outside the sector to let them ease so that they should not ease in front of any house.

GRIEVED

With profound grief we inform about the sad demise of father of Mr. Anil Khanna C-92, Sector - 41. RWA conveys its heartfelt condolences to the bereaved family.
