

## **HEARTIEST GREETINGS ON THE OCCASION OF HOLI.**

Dear Residents,

61<sup>st</sup> Republic Day was celebrated on 26<sup>th</sup> January at Community Centre with a record participation of around 1000 persons. The response was so overwhelming that there was hardly any space left to accommodate our residents who were so excited about the programme. In spite of all this, the Members sat through nearly 3 hours and actively participated in the programme.

The National Flag was hoisted by The President Mr. K.L. Bansal who thanked the residents and urged them to re-dedicate themselves and uphold the integrity and unity of the Nation during the difficult times ahead. He said that there was an urgent need of unity. Mr. I.D. Sharma spoke about the background of Republic Day Celebrations. Cultural programme including Desh Bhakti Sangeet and Dance depicting freedom and country's achievements was presented by the children of the sector.

Vote of thanks was given by General Secretary Mr. S.K. Sudan who reminded about the values and rights given in the Constitution of India. Let us combat hatred around us and transform it into brotherhood. This is no time for petty and destructive criticism, no time for ill-will or blaming others. We thank all the participants for their active involvement. Our special thanks to Dr. Kumar Rajan who had very kindly agreed to anchor the programme successfully. At the end General Secretary invited all the participants to have lunch arranged by RWA. All this shows love and acceptance of RWA programmes and activities.

### **SAMVADA ISSUE OF JANUARY 2010**

We would like to draw the attention of the residents to the news item appeared in Samvada issue of January 2010 under the Heading "Residents are Feeling .....  
....." We fail to understand why such false, frivolous and incorrect distorted and biased statements are being published. In our Circular No.29 dated 16.09.09 we have stated that the persons defeated in the last General Body Election made a complaint to The Dy. Registrar, Meerut and in response to their complaint, The Ld. Dy. Registrar gave his verdict which was published in the above circular with clarification.

Such things are being published again and again to mislead the residents by false and frivolous reporting. It is very sad that such one sided picture is given without any verification from the duly elected body. It seems that somebody in the Bureau in connivance with some isolated and frustrated group in the sector is engaged in this calculated move to malign the fair image of RWA. Such type of biased reporting only helps the rumor mongers and divisive forces who are already in search of an opportunity to create hurdles in the smooth functioning of a duly elected body. Residents are aware that our RWA has a recognition not only in Noida but also in whole of NCR. It has been adjudged as one of the best RWA and has achieved three Excellence Awards which is a matter of great pride for our sector. Few mischief mongers are harming the cause and hampering the progress by writing such rubbish with the only purpose to tarnish the image of a democratically elected body. We therefore advise our residents not to be misled by such false and frivolous reporting.

We take this opportunity to place on record our sincere thanks and gratitude to our residents for reposing enormous confidence in us and with your continued support and cooperation we assure you that we will meet our highest aspirations and achieve the **VISION OF EXCELLENCE** which is our ultimate aim.

### **CONGRATULATIONS**
